D.O. No.16-5/2020-TEL

Dated:6th October, 2023

Respected Sir-

Academic Bank of Credit (ABC) was established in July 2021. It works as a digital repository for academic credits obtained from Higher Education Institutes (HEIs). Consequently, HEIs can grant degrees to students based on their accumulated credits, utilizing a centralized database of digitally authenticated credit records.

2. It has been designed to facilitate multidisciplinary entry and exit to students as envisages in National Education Policy 2020. Therefore, it is imperative that all students entering the higher education system become part of the ABC ecosystem.

3. It has been observed that certain State Universities, Deemed Universities, Private Colleges/ Institutes (List Attached) performance is relatively low compare especially in terms of **creation of ABC IDs; Uploading of Credit Data and mapping of Credit with ABC Id.**

4. You are therefore requested to review the performance of HEIs in your state regularly and put certain protocol so that HEIs create ABC ID regularly and deposit credit accumulated by students in these ID.

5. I would further request you to encourage all the universities to either adopt the SAMARTH ERP which is integrated with ABC application – thereby making the credit deposition automated or integrate the existing ERP/LMS solutions with the ABC platform. This will ensure that the credits are seamlessly deposited on ABC in real-time fashion.

6. National E-Governance Division (NEGD) has been assigned to facilitate State Governments for any issue arises. You kindly contact Shri Gaurav Singh, Director, DHE for any administrative issue and Shri Guarav Khare, Business Development Manager, NeGD for any technical issues. Their contact and email id details are mentioned below :

(Govind Jaiswal)

To,
